

My name is Bryce Boese, and I am in 11th grade. I chose to take on Journalism because I found the program to be interesting and something that I could take initiative in. Outside of school, I am a hockey player for the Manatee Admirals, a team made up of Lakewood Ranch High School and Palmetto High School players. One reason I like Lakewood Ranch High School is that the teachers are good at their jobs and educate us students to the best of their ability. One goal I have for high school is to graduate with at least a 4.0 GPA.
