

My name is Sammy Kedziora and I am a Junior at Lakewood Ranch High School. I am in journalism because I have always liked creative writing and this gives me a new perspective and point of view of writing.

I am the captain on the LRHS Silver Stars Dance Team and I also dance at Movement Dance Company on the senior elite team. One reason why I like LRHS is because of the many volunteer opportunities. One goal I have for this year of high school is to pass each quarter with at least all B's.
