

My name is Abbey Shilling and I'm a junior at LRHS. I'm in journalism to because I love having the freedom to express myself through writing. I'm involved in and help lead all but one of the LRHS choruses and I'm also a competitive figure skater at Ellenton Ice. I like LRHS because it's a great learning environment with lots of opportunities for students to learn and grow. One goal I have for high school is to grow more in my faith, as a musician and as an athlete.
