

I'm Lauren Hopkins and am a senior this year. I'm in journalism because I learn to be a more efficient writer through writing news. I also like being able to know more about what's going on around campus. I'm in NHS, SAB, Latin Club, Lakewood Leaders, FBLA, Choir, I volunteer at the All faiths foodbank, I work at Walgreens as a customer service sales associate, and play soccer at Braden River. I like Lakewood Ranch because there's so many opportunities, different classes, and clubs that fit your interests. My goal in high school is to learn and find out who I am.
