

My name is Skylee Miller and I am the 2016-2017 Outreach Coordinator for "Mustangs Ahead News." I am a Junior here at Lakewood and the reason I am in the journalism staff is because I would like to pursue a career in Journalism in the future. Outside of journalism I am involved with Lakewood Leaders, HOSA, and FCCLA. I am the LRHS FCCLA President as well as the Florida FCCLA State VP of Public Relations. The reason I like LRHS is because I like the people and the teachers that are at Lakewood. My goal for high school is just to not fail any classes and to graduate.
