

Hi! My name is Neely Yancey and I am a junior at LRHS this year. I decided to join Journalism my freshman year because I am highly interested in media and writing. I mainly participate in Le Cercle Français (French Club), Société Honoraire de Français (French Honor Society), Teen Court, and Lakewood Leaders. I like LRHS because they have plenty of activities and classes to offer for your interests! My main goal for high school is to participate and help out as much as I can, while maintaining excellent grades for graduation!
