

Hi, my name is Summerlin Schlemmer and I am a junior at Lakewood Ranch High School. Since college is right around the corner, I wanted to open up my options so I joined journalism. It has opened up my eyes, and I now realize how much I enjoy writing. After school you can catch me hanging out with my friends, sleeping, or doing something for Lakewood Leaders. I like LRHS because it is a safe and nice environment to be in. I also enjoy seeing my friends everyday. For high school, you can have many goals ranging from being able to get a diploma, and to getting good grades. But for me, my goal is to be happy.
