

My name is Cate Eschmann and I am a senior this year. I am in journalism because I really enjoy the class and learning the process of journalism. Some of my extra-curricular activities include piano lessons, babysitting, and various clubs (Girl Talk, Lakewood Leaders, Quill and Scroll,). One reason I like Lakewood Ranch high School is for their variety of classes and electives for the students to choose from. My goal for this year is to graduate this year with all A's.
